## Terms and Conditions

### **Commercial Use**

Commercial use of this software is prohibited under a single user license. Please contact us for more information on obtaining a commercial license.

### **Product Keys**

You will receive your product key in your email within 1 business day after payment confirmation with Ecwid. All purchases will include future updates to that version. Do NOT redistribute product keys, each product key is intended for single use only. Any unauthorized reproduction, sale, or modification of the software will result in the termination of access to the program and your original purchase will not be refunded. Mods for GRX reserves the right to terminate access to accounts with or without notice.
